### **Stories of the week**

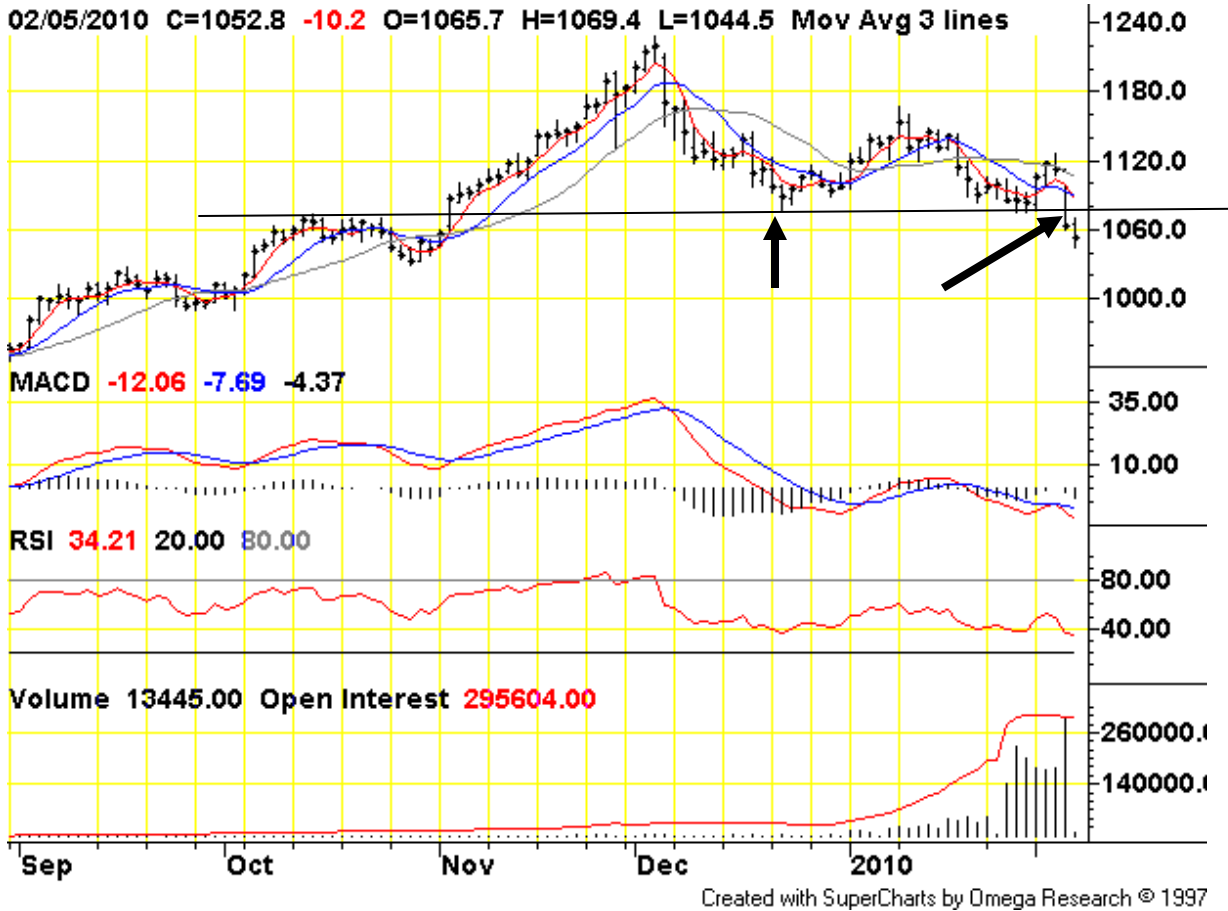

1. Correction ensues
2. One week until Olympics begins

### **Charts**

- Gold
- Dollar Index
- HUI

# Gold Daily Chart

(Dead cat) bounce to resistance and then bid down day and confirmation of down trend Thursday

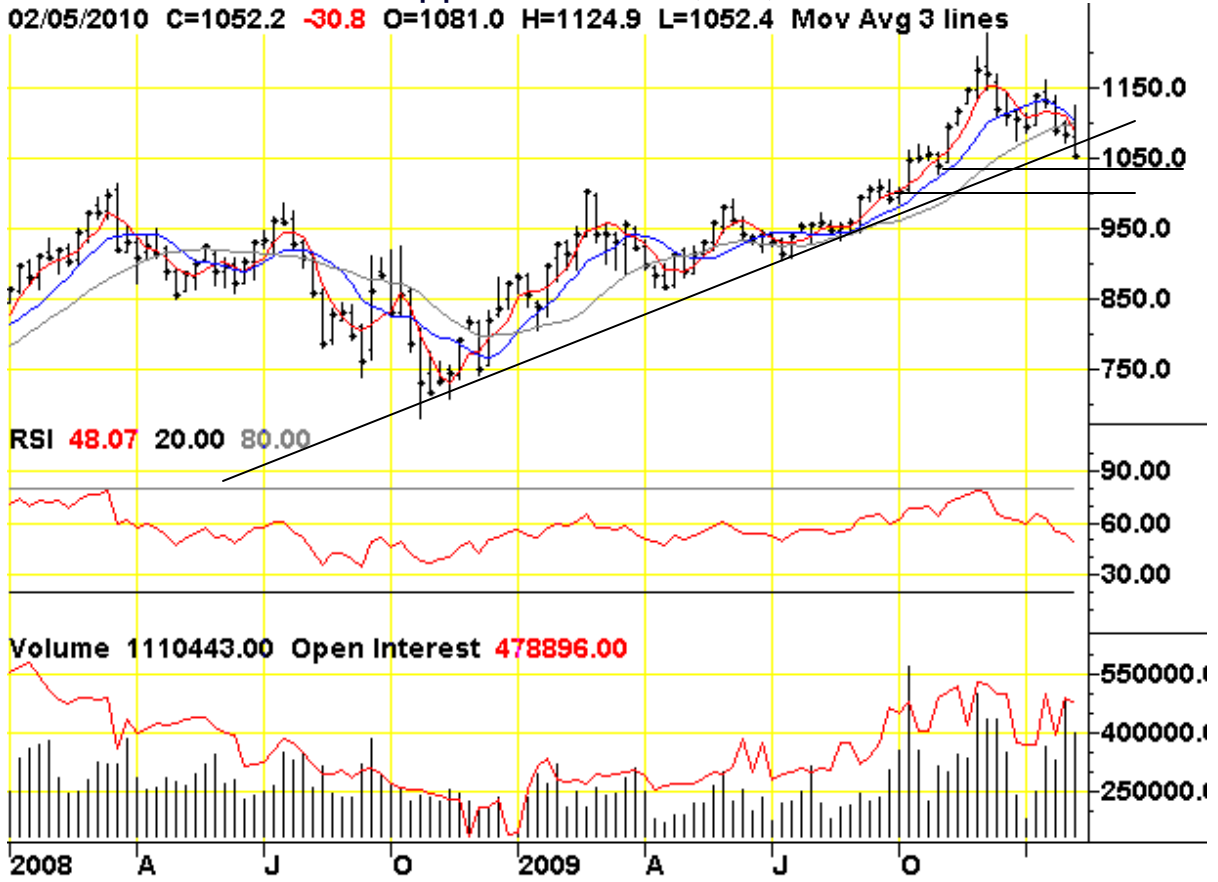

**“Additional Analysis - Long Term:** The market is EXTREMELY BEARISH. Everything in this indicator is pointing to lower price....”

Yes the HUI Led the Gold Price Down...but starting to look very oversold now

## Buffoons (Oddity) of the week or other comment:

I toss in the towel and decide to enjoy the Olympics:

- Nightly light shows at English Bay
- Torch to pass here Friday
- Anticipating Canada's hockey prowess

## Blogs:

1. **EGS Blog** <http://emerginggrowthstocks.blogspot.com/>
  - Euro weakness, Doug Casey's comparison with collapse of Roman Empire, Canadians repeat mistake of our southern neighbours
2. **Entertainment Blog** <http://entertainmentvalue2.blogspot.com>
  - Anticipating the Olympics in one week – Canada's mens hockey team

## Final notes:

### Final notes/Parting shots/Shameless Promotions:
